

## **GUIDELINES TO HELP YOU SELECT YOUR DENTURE OR PARTIAL DENTURE**

*The purpose of this brochure is to briefly inform you about our various services, and to help you decide which denture is best suited to your needs. Please familiarize yourself with this information so you will know the type of denture you are interested in discussing. If you have any questions, please feel free to ask the doctor or any dental assistant technicians.*

### **STANDARD DENTURE**

- For patients who need a lower cost denture.
- For patients who do not have any special cosmetic requirements.
- Adjustments - \$55.00 each
- Doctor's option if it can be made for your case.
- Cannot be made for a first time denture or an Immediate denture.
- Cannot be made in same day.

### **PREMIUM DENTURE**

- This is a quality denture. It has a three (3) year warranty against breakage with normal use.
- Some simple cosmetics available.
- Three (3) free adjustments, within the first year.
- Relines not included in price.
- Sameday service available, at additional cost.

### **INDIVIDULIZED DENTURE**

- Our highest quality denture and teeth.
- For patients who have special cosmetic needs, i.e., duplicate your old denture, spaces, etc.
- For patient who have no gums, or have problems wearing dentures.
- Seven (7) year warranty against breakage with normal use.
- Six (6) free adjustments, within the first year.
- Sameday service available at no additional charge.

### **ACRYLIC PARTIAL**

- For patients who are getting an immediate partial.
- For patients who need a partial that rest only on the gums.
- For patients who need a lower cost partial.

### **CAST METAL FRAME PARTIAL**

- For patients who prefer a firmer fit than the acrylic partial.
- For patients who prefer a thinner, stronger type of partial.
- For patients who need a partial that rest mostly on the teeth.
- Teeth cannot be added successfully to this partial.

### **Flexible Partial**

- For patients who prefer a thinner, flexible, metal free type of partial.
